ENJOY THE RIDE.

# BORN TO RIDE EVERYWHERE.

## **PEDAL OPERATED HYDROSTATIC TRANSMISSION**

With no gears to operate, hands remain comfortably on the steering wheel for less tiring and safer cutting sessions.

## **CUTTING WIDTH UP TO 108 CM**

Wide and reinforced cutting decks. Featuring timed blades and anti-scalp wheels, they can be set up to 7 different cutting positions. Blade engagement is button operated and easy.

## **WORK IN COMFORT**

STIGA units come with comfortable STIGA Classic Seat or a High Back Seat. The ergonomic steering wheel offers optimal grip while the ABS panel absorbs vibrations at foot level.

## **EASY ACCESS**

Wide space between seat and steering column, allowing comfortable mounting/dismounting from the machine.

**STIGA**

# LAWN TRACTOR - COMBI

The **Stiga Combi 166HQ** is an extremely compact, collecting lawn tractor providing full visibility of the working area and a narrow turning circle for ease of use where there are obstacles and complex borders to negotiate.

The Combi is the ultimate choice for the garden lover, offering a comfortable ride with a smooth hydrostatic transmission and ergonomic seat design. You and your garden deserve it, don't you?

# THE SMALL GARDEN CONQUEROR

- High back support and adjustable seat**  
Optimal driving comfort for long, intensive working sessions.
- Cutting Height Adjustment**  
Select cutting height from multiple ranges (6 positions, from 30mm to 76mm).
- Quick and easy Lever operated blade-engagement**
- Storage compartment**  
Useful, safe storage compartment for any tool.
- Hydrostatic transmission**  
Smooth and efficient speed control: no gear change, so comfortably keep hands on the steering wheel.
- Pivoting front axle**  
Ensuring excellent comfort and stability in uneven ground.
- Quick release wheels**  
Instant wheel change by simple removal of a metal retaining ring.
- 3 in 1**  
Collecting and side discharge options available, to give you the best result with ease. (Mulching Kits available as an accessory)
- Easy access**  
Allowing comfortable mounting/dismounting from the machine.
- Grass Collection**  
Impressive 150L collector for easy emptying.

<b>ENGINE</b>	Stiga powered, ST250 ES, 224cc
<b>HORSEPOWER</b>	6.2 hp*
<b>DECK SIZE</b>	26" (66 cm) cut Side, Mulch & Rear Discharge, 3 in 1
<b>TRANSMISSION</b>	Hydrostatic automatic
<b>BLADE(S)</b>	1
<b>CUTTING POSITIONS</b>	6 positions from 30 to 76 mm
<b>FUEL CAPACITY</b>	3.8 L

# LAWN TRACTOR - **TORNADO**

**The Stiga Tornado range**, powerful engines, advance functions, ergonomics and high-quality construction of this mower allows for easy lawn care for all users and all gardens.

The side-discharge tractor is recommended for large areas where collection is not required – clippings are instead laid out in tidy rows.

## VERSATILE & **INTUITIVE**

**Adjustable seat**  
Tailor-made for any driver's preferences, allowing optimal comfort during long, intensive work sessions.

**Quick and easy Height Adjustment**

**Ergonomic steering wheel**  
Maximising comfort and optimising grip while driving.

**Electromagnetic PTO Engagement**  
Instant, safe activation/deactivation of the cutting blades by simply pushing a button. Ideal for quick disengaging of blades.

**Hydrostatic transmission**  
Smooth and efficient speed control: no gear change, so comfortably keep hands on the steering wheel.

**High air flow deck**  
Giving a superior cutting & discharging performance.

**Anti-scalp wheels**  
Preventing the risk of scalping while cutting uneven surfaces.

**Multiclip Mulching Technology**  
(Mulching Kits available as an accessory)

**Bumper**  
Protecting the tractor front from obstacles.

**Quick release wheels**  
Instant wheel change by simple removal of a metal retaining ring.

**DOMESTIC WARRANTY**  
**2** YEARS

# LAWN TRACTOR - ESTATE

**The Stiga Estate**, Ideal for expansive green areas. You can choose to collect clippings into the 240 L rear grass collector reducing the frequency of emptying stops or utilise the Multiclip Mulching function which cuts grass clippings into extra fine particles and recycles them into the lawn as a natural fertiliser.

# MOW THE DAY AWAY

- Electromagnetic PTO Engagement**  
Instant, safe activation/deactivation of the cutting blades by simply pushing a button. Ideal for quick disengaging of blades.
- Soft grip steering wheel**  
Maximum comfort and the most enjoyable driving experience.
- 240L grass collector**  
Big grass collector, reducing the need for emptying.
- Advanced collecting tunnel**  
The smartest collecting option thanks to the central tunnel, the cut grass is completely discharged into the rear collector.
- Headlights**  
Ultimate technology giving the best visibility possible, in any condition.
- Timed twin-cut system**  
Unique timed blade, giving the best cutting performance in the market.
- Anti-scalp wheels**  
Preventing the risk of scalping while cutting uneven surfaces.
- Quick release wheels**  
Instant wheel change by simple removal of a metal retaining ring.
- Bumper**  
Protecting the tractor front from obstacles.

**DOMESTIC WARRANTY** **2 YEARS**

# WHAT MODEL SUITS YOU?

## TORNADO

A sturdy and reliable tractor built on a strong structure and able to mulch clippings or tackle properly through side discharge.

## COMBI

All devoted garden lovers deserve a lawn tractor. If the love is greater than the garden, Combi is the ultimate choice in smaller tractors, combining design with practical features.

## ESTATE

Superb driving comfort and precise manoeuvrability, collecting up to 240 litres of cuttings or leaves, fast switching between mulching and collecting.
